

Curriculum Vitae

Personal Information

Name **Stefano Stagi**
Address Meyer Children's Hospital IRCCS, Viale Pieraccini 24, 50139, Firenze
Telephone +39 0555662585
E-mail stefano.stagi@unifi.it; endocrinologia@meyer.it
Nationality **Italian**
Date of birth **14/02/1969**

Position Associate Professor in Paediatrics

Education and training

Date **01/12/2019 to date**
Title of qualification awarded Associate Professor in Paediatrics
Name and type of organisation providing education Department of Health Sciences, University of Florence, SOC Diabetology & Endocrinology, Auxoendocrinology Unit, Meyer Children's Hospital IRCCS, Florence .

Date **17/12/2012 to 01/12/2019**
Title of qualification awarded Assistant Professor in Paediatrics
Name and type of organisation providing education Department of Health Sciences, University of Florence, Auxoendocrinology Unit, Anna Meyer Children's University Hospital, Florence .

Date **01/11/2012-31/10/2013**
Title of qualification awarded II Level master's degree in Metabolic Bone Diseases. From Gene to the Care.
Name and type of organisation providing education University of Florence, Largo Brambilla 3, 50134 Firenze

Date **01/01/2010-30/6/2010**
Title of qualification awarded Postgraduate master's degree in Rare Paediatric Diseases
Name and type of organisation providing education Department of Paediatrics, University of Florence, Anna Meyer Children's University Hospital, viale Pieraccini 24, Florence, Italy.

Date	01/11/2007-31/05/2009
Title of qualification awarded	Fixed term Research Fellow Name Project: "Epiphysis and hypophysis. Possible relation between the secretion of melatonin, growth and time of maturation".
Name and type of organisation providing education	Department of Paediatrics, University of Florence, Anna Meyer Children's University Hospital, via Luca Giordano 13, Florence, Italy.
Date	01/11/2004-31/10/2007
Title of qualification awarded	Fixed term Research Fellow Name Project: "Endocrine and non-endocrine factors that influence the period of biological maturation".
Name and type of organisation providing education	Department of Paediatrics, University of Florence, Anna Meyer Children's University Hospital, via Luca Giordano 13, Florence, Italy.
Date	01/11/2004-31/10/2005
Title of qualification awarded	II Level master's in Clinical and Laboratory Genetics
Name and type of organisation providing education	Department of Paediatrics, University of Florence, Anna Meyer Children's University Hospital, via Luca Giordano 13, Florence, Italy.
Date	01/11/2003-31/10/2004
Title of qualification awarded	Research Fellowship Name project: "Variations of urinary melatonin during overexposure to television and its possible pathogenetic role in idiopathic precocious puberty".
Name and type of organisation providing education	Department of Paediatrics, University of Florence, Anna Meyer Children's University Hospital, via Luca Giordano 13, Florence, Italy.
Date	01/10/1998-20/10/2003
Title of qualification awarded	Graduated in Paediatrics Thesis title: "Deficit assoluto di IgA e livelli di immunoglobuline in pazienti con ipotiroidismo congenito"
Name and type of organisation providing education	Department of Paediatrics, University of Florence, Anna Meyer Children's University Hospital, via Luca Giordano 13, Florence, Italy.
Final degree	Final degree 70/70 cum laude
Date	10/1998
Title of qualification awarded	Medical Board Medical school
Name and type of organisation providing education	University of Florence, Largo Brambilla 3, 50134 Firenze
Final degree	90/90
Date	April 1998
Title of qualification awarded	Degree in Medicine and Surgery (106/110) from the University of Florence, School of Medicine and Surgery, defending my dissertation entitled "Screening and follow-up of congenital hypothyroidism. The experience of the Centre in Florence" Supervisor: Prof. Roberto Salti.

Name and type of organisation providing education: Medical School, School of Medicine and Surgery, University of Florence, Largo Brambilla 3, 50134 Firenze
 Final degree: 106/110

Date: 1983-1988
 Title of qualification awarded: High school leaving qualification in classical studies, Liceo Classico "F. Petrarca" in Arezzo.
 Name and type of organisation providing education: Liceo Classico "F. Petrarca", Arezzo

Date: 04/2014
 Title of qualification awarded: Grant of the European Society for Pediatric Endocrinology (ESPE): ESPE diabetes/obesity school in Tel Aviv, 24-26 April 2014.

Date: 09/2010
 Title of qualification awarded: Member of the European Society for Paediatric Endocrinology (ESPE).

Date: 09/2013
 Title of qualification awarded: Member of the Italian Society of Pediatric Endocrinology and Diabetology (SIEDP).

Mother-tongue: **Italian**

Educational activities

Professor of Paediatrics (Endocrinology and Auxology) at the Medical Degree Course of the University of Florence.

Professor of Auxology and Endocrinology at the Postgraduate School in Clinical Genetics, University of Florence.

Professor of Paediatrics at the Postgraduate School in Legal Medicine, University of Florence.

Professor of Paediatrics at the Postgraduate School in Paediatric Neuropsychiatry, University of Florence.

Professor (of Auxology and Endocrinology) at the Postgraduate School in Paediatrics, University of Florence.

Professor of Paediatrics at the Nursing Degree Course of the University of Florence.

Professor of Paediatrics at the Educational Sciences Degree Course, University of Florence.
