Sex M | Date of birth 22 Sept 1974 | Nationality ITALIAN

EDUCATION

- | | |
|-----------|---|
| 1988-1993 | Scientific Liceo "A. Vallone" Galatina (LE) (final mark 60/60), |
| 1994-2000 | Medical School, University of Parma Italy (final mark 110/110 magna cum laude) |
| 2000-2005 | Post-graduate School of Nephrology (final mark 50/50 magna cum laude), University of Parma, Italy |
| 2005-2006 | Post-doctoral fellowship, Lowance Center for Human Immunology, Emory University, Atlanta, USA |
| 2006-2009 | PhD in Nephrology, University of Parma, Italy |

TEACHING

- | | |
|----------------|---|
| 2005-2018 | Professor at the Post-Graduate Nephrology School, Parma University |
| 2012-2018 | Adjunct Professor, Parma University School of Medicine |
| 2013-date | Professor at the PhD program in Health Sciences, Medical School, Parma University |
| June-July 2017 | Visiting Professor, Department of Medicine, University of Cambridge, UK |
| 2018-date | Associate Professor of Nephrology, University of Firenze |
| 2019-date | Director, Post-graduate fellowship program in nephrology, University of Firenze |

CURRENT POSITION

Associate Professor of Nephrology, University of Firenze, and Consultant Nephrologist, Meyer Children's Hospital, Firenze

RESEARCH AREAS

- ANCA-associated vasculitis
- Retroperitoneal fibrosis and IgG4-related disease
- Erdheim-Chester disease
- Systemic lupus erythematosus

GRANTS

- PI of the project "FAIRVASC - building registry interoperability to inform clinical care" funded by the European Joint Programme on Rare Diseases 2019 (EJP-RD) (funding to Dr Vaglio's unit **291,750 €**)
- PI of the project "Genome-wide and epigenome-wide association study in patients with Erdheim-Chester disease", funded by Histo UK (50,000 GBP/**57,000 €**)

- PI of the project (Investigator initiated proposal) "Tocilizumab for difficult-to-treat retroperitoneal fibrosis (TOCIRET trial)", funded by Roche (**54,000 €**)
- PI of the project "Molecular diagnostics of Erdheim-Chester disease", funded by Cariparma Foundation (**53,500 €**)
- Leader of one of the 3 participating units of the project "Tailoring Rituximab treatment in ANCA-associated vasculitis: a genetic and immunological approach", funded by Regione Emilia-Romagna (total 239,800 €, funds for Dr Vaglio's unit **31,889 €**)
- Workpackage leader of the project "A tailored approach to the immune-monitoring and clinical management of viral and autoimmune diseases", funded by Programma di Ricerca Regione Università 2010-2012 (total 1,999,888 €, funds for Dr Vaglio's unit **250,385 €**)
- Co-PI of the project "Withdrawal of immunosuppression for post-transplant lymphoproliferative disorders (PTLD) and development of tolerance in kidney transplant recipients " funded by Cariparma Foundation (**50,000 €**)
- Co-PI of the project "Etiopathogenesis of idiopathic retroperitoneal fibrosis", funded by the ministry of University and Research (MiUR) (**70,000€**)
- PI of the Project (Investigator Originated Proposal) "Sirolimus plus prednisone for Erdheim-Chester disease. A pilot study", funded by Wyeth-Lederle (**10,000€**)
- Co-PI of the project "Methotrexate as steroid-sparing agent in idiopathic retroperitoneal fibrosis: a randomised controlled trial", funded by AIFA (**222,700€**)

PUBLICATIONS

163 articles published in international, English-language, peer-reviewed journals

First or last author in 89/163 articles

Total Impact Factor (calculated using Journal Citation Reports 2016): 1369.759

Average Impact Factor: 1369.759/1603= 8.40

h-index: 39 (Scopus)

Citations: 5474 (Scopus)

BOOKS-BOOK CHAPTERS

"Miscellaneous organ involvement in ANCA-associated vasculitis"

Trivioli G, Vaglio A.

In **ANCA-associated vasculitis.**

Sinico RA, Guillevin L, Eds.

Published by Springer

ISBN 978-3-030-02238-9

"ANCA-associated vasculitis"

Bonatti F, Adorni A, Percesepe A, Vaglio A, Martorana D.

In **Genetics of Rare Autoimmune Diseases,**

Martin J, Carmona FD, Eds.

Published by Springer

ISBN 978-3-030-03934-9

"**Systemic fibro-inflammatory disorders**"

Vaglio A, Editor

Published by Springer

ISBN: 978-3-319-41347-1

"Clinical manifestations and diagnosis of retroperitoneal fibrosis"

Vaglio A, Palmisano A.

in **UpToDate**, Rose BD, *Editor*

“Treatment of retroperitoneal fibrosis”

Vaglio A, Palmisano A.

in **UpToDate**, Rose BD, *Editor*

“Chronic periaortitis”

Pipitone N, Vaglio A, Salvarani C, Stanson A.

In **Systemic Vasculitis. Imaging features**.

Hendaoui L, Stanson A, Bouhaouala MH, Joffre F; *Editors*.

Published by Springer. ISSN 0942-5373. ISBN: 978-3-642-02483-2

“Eosinophilic granulomatosis with polyangiitis (Churg-Strauss syndrome)”

Vaglio A, Manenti L.

in **Encyclopedia of Medical Immunology**

Rose N, McKay I, Eds.

Published by Springer

“Histiocytoses”

Vaglio A, Rocco R, Haroche J, Emile JF.

In **The Microbiome in Rheumatic Diseases and Infection**

Ragab G, Atkinson TP, Stoll ML, Eds.

Published by Springer

ISBN: 978-3-319-79025-1

INVITED LECTURES IN INTERNATIONAL MEETINGS

- 2010 (Roma), European Congress of Rheumatology (EULAR) Congress, lecture on “Chronic periaortitis/retroperitoneal fibrosis”
- 2011 (Freiburg, Germany), Symposium on ANCA-associated vasculitis organized by Phadia, lecture on “Diagnosis of ANCA-associated vasculitis”
- 2011 (Munich, Germany), 39th congress of the German Society of Rheumatology (DGRh), lecture on “Morbus Ormond- Inflammatory aortic aneurysms”
- 2012 (Granada, Spain), 8th International Congress on Autoimmunity, lecture on “ANCA and other biomarkers in ANCA-associated vasculitides: a clinician perspective”
- 2012 (Génève, Switzerland), Annual Meeting of the Swiss Society of Rheumatology: lectures on “Ormond’s disease” e “IgG4-related diseases”
- 2012 (Paris, France): Grand Rounds of the Internal Medicine Dept of the Pitié Salpêtrière Hospital (Chair Pr Zahir Amoura), lecture on “Retroperitoneal Fibrosis”
- 2012 (Paris, France): Grand Rounds of the Internal Medicine Dept of the Bichat Hospital (Chair Pr T Papo), lecture on “Retroperitoneal Fibrosis”
- 2012 (Roma): 3rd GISEA (Gruppo Italiano di Studio su Early Arthritis) International Meeting “Biomarkers in Rheumatic Diseases”, lecture on “Biomarkers in large-vessel vasculitis”
- 2013 (Parma, Italy): International congress “Vasculitis: an update”, lectures on “Hypereosinophilic syndromes and eosinophilic granulomatosis with polyangiitis” and “Update on primary and secondary retroperitoneal fibrosis”
- 2013 (Paris): Grand Rounds of the Internal Medicine Department of the Hopital Saint-Louis (chair Pr Alfred Mahr), lecture on “Retroperitoneal Fibrosis”
- 2013 (Paris): Séminaire National des DES de Médecine Interne, Journées André Thénot, lecture on “Systemic Idiopathic Fibrosing Diseases”
- 2013 (Génève, Switzerland): grand rounds of the Allergy and Immunology Department of the University of Geneva (chair, Pr C. Chizzolini), lecture on “Periaortitis: from retroperitoneal fibrosis to IgG4-related disease”
- 2014 (Marseille, France): Journée inter-régionale de formation des DES de médecine interne (chair Pr Nicolas Schleinitz), Université Aix-Marseille, Hôpital de la Conception,

- lecture on “Chronic periaortitis: from pathogenesis to clinic”
- 2014 (Prague, Czech Republic): 5th International Immunology Summit organized by UCB (Chair, Maxime Dougados): lecture on “Managing vasculitis in the clinic”
 - 2014 (Dublin, Ireland): International course “New Horizons in Rheumatology”, University College Dublin, lecture on “Chronic periaortitis”
 - 2014 (Paris, France): annual EULAR meeting: lecture on “Chronic periaortitis”
 - 2015 (London, UK): 17th Vasculitis and ANCA workshop, lecture on “An update on IgG4-related disease”
 - 2016 (Firenze, Italy): International course “Controversies in Systemic Lupus Erythematosus and Anti-phospholipid syndrome”, lecture on “Renal involvement in Systemic Lupus Erythematosus”
 - 2016 (Paris, France): lecture on “Renal and Ureteral involvement in Erdheim Chester disease” at the 4th International Erdheim Chester disease symposium
 - 2017 (Geneva, Switzerland): Grand Rounds of the Internal Medicine and Clinical Immunology Unit, Hopitaux Universitaires Genève (HUG) (chair Prof J Seebach), lecture on “Retroperitoneal fibrosis”
 - 2017 (Paris, France): National meeting of the French Vasculitis Study Group (chair, Pr L Guillevin): lecture on “Chronic periaortitis and IgG4-related disease”
 - 2017 (Cambridge, UK): Cambridge Immunology course, lecture on “IgG4-related disease and Erdheim-Chester disease”
 - 2017 (Vienna, Austria): National meeting of the Austrian Society of Rheumatology, lecture on “Retroperitoneal fibrosis and its overlap with IgG4-related disease”
 - 2018 (Rochester, MN, USA): 2018 International Conference on Large-Vessel Vasculitis and Related Disorders, Mayo Clinic. lecture on “Chronic periaortitis”
 - 2018 (Paris, France): XX Journée Pierre Godeau de Immunologie Clinique; lecture on “Aortitis and periaortitis”
 - 2018 (Fribourg, Switzerland): Grand Round of the Rheumatology Department, Fribourg Hospital (Chair Pr J Dudler): lecture on “IgG4-related disease”
 - 2018 (Interlaken, Switzerland): Congress of the Société Suisse de Rhumatologie et Société Suisse d’Allergologie et Immunologie, lecture on “Small Vessel Vasculitis: from physiopathology to treatment”
 - 2018 (Bologna, Italy): 2018 Technologies in endovascular aortic repair (TEAR), lecture on “Aortitis”
 - 2019 (Lausanne, CHUV, Switzerland): Séminaires de formation continue, lecture on “IgG4-related disease”
 - 2019 (Seoul, South Korea): 39th National Meeting of the Korean Congress of Rheumatology, Lettura dal titolo “Eosinophilic granulomatosis with polyangiitis”
 - 2019 (Cambridge, UK): 3rd EUVAS course, Downing College, lectures on “Eosinophilic granulomatosis with polyangiitis” and “IgG4-related disease”
 - 2019 (Antalya, Turkey): Annual Congress of the Turkish Society of Rheumatology, lecture on “Chronic periaortitis and other inflammatory aortic diseases”
 - 2019 (Vienna, Austria): Annual Congress of the Austrian Society of Rheumatology, lecture on “Pulmonary-Renal Syndrome”
 - 2019 (Porto, Portugal): Porto Autoimmune Disease International Meeting, lecture on “Takayasu arteritis”
 - 2020 (Grindelwald, Switzerland): Allergy and Immunology Update (AIU) course of the Swiss Society for Allergology and Immunology, lecture on “Periaortitis and the spectrum of IgG4-related diseases”
